

ENHANCE YOUR CHRONICLE READING EXPERIENCE

Create a Free Account to Unlock Your Benefits

Your institution provides access to *The Chronicle* through an institutional site license. To take full advantage of the benefits associated with your institutional access, create a free *Chronicle* account.

A free account opens up more ways to read, listen, and stay informed.

Your Site-License Access Includes:

Daily, Weekly, and Topical Newsletters

Get insights and original reporting delivered directly to your inbox. Visit chronicle.com/newsletters to browse our full portfolio.

The Chronicle App

Read the latest reporting, listen to articles and podcast episodes, save stories for later, and stay informed on the go. Download the app at chronicle.com/app.

Chron: AI Research Assistant

Discover high-quality insights from more than 140,000 news stories and opinion essays in *The Chronicle's* published archives. [Visit chronicle.com/chron](https://chronicle.com/chron) to start exploring.

In-Depth Reports

Your institutional access includes two premium reports highlighting solutions to common challenges. [Visit this page](#) to read descriptions of available reports.

How to Get Started

Follow these simple steps to create a free account and make the most of your institutional access.

1. Visit our [Sign Up page](#) and enter your professional email address. Use an address associated with your institution's domain.
2. **Verify your identity** by entering the six-digit code sent to your inbox.
3. **Download the Chronicle app:** After creating your account, download the Chronicle app in the App Store or Google Play. Sign in to the app using the same credentials.
